Katri-Liisa Pulkkinen (tbc)

Blerta Vula Rizvanolli (tbc)

RESTORE FINAL ONLINE CONFERENCE 3RD DECEMBER 2020**Keywords: (max.5, please use semicolons)**

Regenerative Sustainability; Seva; Futures; Nature; Connecting;

Short CV: (max. 100 Words + Foto)*Martin Brown*

Martin is an innovative sustainability ‘provocateur’, advocate and business improvement consultant with his Fairsnape practice, based in the Forest of Bowland, Lancashire UK.

He is Vice Chair of RESTORE and Vice President of Living Future Europe, a Living Building Challenge Ambassador, and a firm believer that sustainability needs to be regenerative and salutogenic, not just doing less bad, but doing more good.

A project manager and strategic consultant with over 45 years' experience in the built environment, Martin is a respected expert and advocate for regenerative sustainability innovation, with an interest in all that will help bring about a healthier future for us and for the planet.
